Re: CERCLA S104(e) Information Request
Albion-Sheridan Township Landfill

Dear Mr. Rogers:

This letter responds to your CERCLA §104(e) request to the Zephyr Service Station located at 1501 N. Eaton, Albion, Michigan.

The property located at the N. Eaton address is owned by Bobenal Investments, Inc. Further, the property is presently leased by Emro Marketing Company, a Marathon Oil Company subsidiary. Emro Marketing Company acquired the leasehold on the property from its 1989 acquisition of Rock Island Refining Corporation.

Zephyr, Inc. operated a retail gasoline station at the N. Eaton address prior to Emro Marketing Company's leasing of the station site during 1989. Zephyr, Inc. is a subsidiary of Naph-Sol Refining Company of Muskegon, Michigan and Kewaukee, Wisconsin. I have no address or telephone contact for Zephyr, Inc. or Naph-Sol Refining Company.

Apparently, Rock Island Refining Corporation had no ownership interest with Naph-Sol Refining Company or Zephyr, Inc. Further, Rock Island Refining Corporation apparently did not own or operate a gasoline station at the N. Eaton address until 1986. Zephyr, Inc. apparently assigned their lease to the N. Eaton property to Rock Island Refining Corporation in 1986.

Should you have any further questions, please do not hesitate to contact me.
